Requirements by component

(Thousands of United States dollars)

Component	2006-2007 expenditure	2008-2009 appropriation	Resource growth		Total before recosting	Recosting	2010- est
			Amount	Percentage			
Staff assessment	436 061.8	510 939.6	1 885.4	0.4	512 825.0	14 743.7	527 5
Total	**436 061.8**	**510 939.6**	**1 885.4**	**0.4**	**512 825.0**	**14 743.7**	**527 5**

36.1 In accordance with the budgetary procedures of the United Nations, provision is made on a g basis under the expenditure estimates for assessable emoluments of its staff members other t post adjustment payments. The salary and related emoluments of United Nations staff members subject to the assessment rates contained in regulation 3.3 of the Staff Regulations and Rules of United Nations. To facilitate comparability with the programme of work and budget proposal other organizations of the United Nations system, the staff costs are shown net of staff assessm under the various expenditure sections of the programme budget. The difference between gross net emoluments is requested as a global amount under the present section.

36.2 Amounts withheld in the form of staff assessment are revenue to the Organization, which, to extent not otherwise disposed of by specific resolution of the General Assembly, is credited to Tax Equalization Fund for the purposes envisaged in Assembly resolution 973 A (X). Accordin the amount requested under this section is also included in income section 1, Income from s assessment.

36.3 The growth in staff assessment ($1,885,400) reflects a net increase in staff assessm requirements related to the delayed impact of new posts approved in the biennium 2008-2009, post and other staff costs adjustments proposed for 2010-2011.
